Information about the Application Process

We received your application for exemption from Federal income tax and your user fee payment.

During the initial review process, applications for exemption are separated into three groups:

1. Those that can be processed immediately based on information submitted,
2. Those that need minor additional information to be resolved, and
3. Those that require additional development.

If your application falls in the first group or second group, you will receive your determination letter stating that you are exempt from Federal income tax or a request for information via phone, fax, or letter. If your application falls within the third group, you will be contacted when your application has been assigned to an Exempt Organizations specialist for technical review. You can expect to be contacted within approximately 60 days from the date of this notice.

IRS does not issue "tax exempt numbers" or "tax exempt certificates" for state or local sales or income taxes. If you need exemption from these taxes, contact your state or local tax offices.
